

DAVID OSBORN

Welcome to The Miracle Morning Millionaires
Goal Club! These are the tools I have created,
copied, studied, borrowed and implemented that
have changed my life from mediocrity to massive
abundance. Our shared vision is that we use the
tools to change our lives for the better for all.
Utilize the process outlined on the next page,
follow each step and direct your life into
abundance.

CHOOSE ABUNDANCE

The Process

BRAINSTORM

On the next two pages, write down ten things that, if achieved, would produce excitement and abundance in your life (i.e. get healthier).

STEP

STEP

ZERO IN

Select your top three in each category for the year and break them down into bitesized pieces (i.e. workout five days per week)

Forefront

Put your Goal Sheet somewhere that you'll see it everyday (i.e. a personal journal or on your bathroom mirror) STEP 03

STEP 04

Execute

Actively interact with your goal sheet. Cross off items, make tallies and see your progress towards your goals.
